**Review Report to
The Board of Directors
Equitas Small Finance Bank Limited**

1. We have reviewed the accompanying statement of unaudited financial results of Equitas Small Finance Bank Limited (**"the Bank"**) for the quarter and half year ended 30th September 2022 ('the Statement') attached herewith, being submitted by the Bank pursuant to the requirements of Regulation 33 & Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations"), except for the disclosures relating to 'Pillar 3 disclosure under Basel III Capital Regulations as at September 30, 2022, including Leverage Ratio, Liquidity Coverage Ratio and Net Stable Funding Ratio under Capital Adequacy and Liquidity Standards issued by Reserve Bank of India ('RBI') as have been disclosed on the Bank's website and in respect of which a link has been provided in the aforesaid financial results and have not been reviewed by us.

This statement has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard 25, (AS 25) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder, the relevant provisions of the Banking Regulation Act, 1949, the circulars, guidelines and directions issued by Reserve Bank of India from time to time ('the RBI Guidelines') and other recognized accounting principles generally accepted in India. 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements ('SRE') 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review is limited primarily to inquiries of Bank's personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results including notes thereon prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 & Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters, except for the disclosures relating to 'Pillar 3 disclosure under Basel III Capital Regulations as at September 30, 2022,

Commenting on the quarterly performance, **Mr. P N Vasudevan, Managing Director and CEO of Equitas Small Finance Bank** said: "Demand for credit continues to remain strong, especially in the informal sector. The 20% year on year growth in advances for the first half is expected to improve further in the seasonally active second half. Quality of portfolio remains a comfort with reducing credit cost. Deposit growth has been satisfactory and we have been able to retain the cost of funds with only marginal increase. Our CASA continues to remain in comfort zone and the digital initiatives of the Bank are beginning to yield significant benefits. Overall, the effect of Covid is receding and we expect to be back to our pre-covid levels of growth and profitability going forward"
